

At Dr. Schneeberger's office we value our patient relationships, making it our priority to deliver gentle compassionate care that you deserve from a dentist in Lansing. We work hard to make you feel at ease by providing exceptional patient care in a relaxed, convenient atmosphere. We strive to develop lifelong relationships with our patients. Our experienced, highly trained and compassionate staff want to deliver beautiful healthy smiles that can last a lifetime. We believe that patients should have sufficient information to make educated decisions about their oral health and treatment options. You can find important information on our website, service descriptions, patient education resources, directions to our office and more.

Our dental practice has had an established presence in Lansing and been serving the community for over 30 years. Should you ever need additional information about our practice we are always available to answer your questions. Let us care for your entire family! We look forward to meeting you.

We offer a wide range of dental services that include:

- General Dentistry
